

FEMALE COACH MENTORSHIP MODEL

Leadership

Last updated: November 29, 2021

Isabelle Cayer

Co-authored by CAC, CWS, Gretchen Kerr, Janessa Banwell

The Female Coach Mentorship Model is a sustainable model of mentorship designed to enhance the advancement of women in coaching. The key stages and practices for an effective mentorship program are summarized in the mentorship guide, with a specific version of the guide available for each of the three main roles: mentee, mentor, and sport administrator.
